

**MISSION.** Notice we didn't say "work." Your Mission, is your REASON FOR BEING. Living your Mission is what you're here to do, regardless of what you do. It's about stepping into your unique gifts, talents and abilities, and sharing it in anyway you can. Your Mission is about lighting up every room you enter with that undeniable **THING** that only you can bring. We get that bills need to be paid, but why not pay them with a little passion? Later in the program, we'll spend a whole week crafting and refining your Misson, but for now, let's think about it as it directly relates to how you earn an income. On the scale to right, rate where you are when it comes to feeling level of passion about what you do.

On a scale of 1-10, (10 being HOLY COW amazings, 0 being a complete flat line) rate this area of your life, as it occurs for you RIGHT NOW.

BE HONEST.  
(We won't tell anyone.)
